

International Pentecost Celebration in Winterthur 14th and 15th May 2016

Dear Pastor

This year's Pentecost events in Winterthur are coming closer. Please find enclosed the flyer for the concerts and programs on Saturday 14th and Sunday 15th May.

We invite you with your whole church for the joint **Sunday service** on **15th May** at **10:30**. The service is bilingual English – German, other translations are available. The member churches of the Evangelische Allianz and several international churches will all be present for this service. You may use the flyers to mobilize your church members and encourage them to invite their neighbours, work colleagues and friends.

During the church service, there will be a special **ministry time**. We would appreciate that you together with one or two members of your church be available to pray for people. For the preparation of this moment, please come to the venue on Sunday 15th May at 10:00.

After the Sunday service, **food** of different nations will be available. If a group of your church would like to sell meals, please refer to the registration form (attached).

More information on the events is available at the following links:
